Community Promise

Display "Our Community Promise" prominently next to your safety plan.

This is designed to reassure the customers as they enter various businesses across the county that we are in this together and you are part of the reopening and you are making the promise to them that you're creating a safe environment and that you need their participation in these rules to keep it safe.

Cost: Free with your Order/Donation from the SANITATION BANK. Suggested donation below.

Face Masks

As we reopen, Facemasks are being required unless you are able to create social distancing. These window clings or laminated signs can be displayed to remind customers in a fun way that they need a facecovering at your place of business. Make it fun and obvious at the same time. **2 options available.**

Floor Decals

Who wants a scary STOP HERE sign for physical distancing?

Let's do this physical distancing thing with a bit of FLX Flare!
P.S. The QR code goes to VisitFingerLakes.com and gives everyone more ideas on things to do the next time they come back!

Floor Decals are removable vinyl with texture lamination. Good for tight carpets and most interior solid floors. They come in two sizes depending on how much space you need to take up. Got your own "footwear idea"? Share it with us and perhaps we can help you customize it.

2 options available.

Take a Seat

Theatres, bars, restaurants, we know that you can't use all your tables or seats, so consider this fun messaging to put in the places that are "off limits" at the moment. These are laminated and can be sanitized and reused. Again, make it fun – rather than a don't sit here warning! Sizes below. These will eventually be downloadable from our website, but if you want a quality printing job to get you going, we'll help you out!
